

Quality Assurance Policy

Life Care Institute of Health Sciences (Pvt.) Limited

Purpose

The purpose of this policy is to ensure that Life Care Institute of Health Sciences maintains high standards of education, training, research, and professional practice in nursing and allied health sciences.

Objectives

The Quality Assurance system aims to:

- Ensure academic excellence in teaching and learning
 - Monitor and improve the quality of educational programs
 - Promote continuous improvement in academic and administrative processes
 - Maintain compliance with regulatory and accreditation requirements
-

Quality Assurance Committee

The institute shall establish a Quality Assurance Committee (QAC) consisting of:

- Principal / Director
 - Vice Principal / Academic Coordinator
 - Senior Faculty Members
 - External academic advisor (if required)
-

Responsibilities of the Committee

The committee will:

- Monitor academic performance and program effectiveness
 - Review curriculum and teaching methodologies
 - Conduct internal academic audits
 - Review feedback from students and faculty
 - Recommend improvements to academic programs
-

Student Feedback System

Student feedback will be collected periodically regarding:

- Course content
- Teaching effectiveness
- Learning environment

Feedback will be reviewed by the Quality Assurance Committee to improve teaching quality.

Continuous Improvement

The institute is committed to continuous improvement through:

- Faculty development programs
- Curriculum review
- Adoption of modern teaching methodologies
- Integration of technology in education
